Help with the cost of cancer.

citizens advice Milton Keynes

Cancer is one of the toughest fights that a person can face. What many of us don't realise, is that cancer can also be expensive. 4 in 5 people with cancer, will face money or financial problems after their diagnosis, and knowing where to turn to for help can seem bewildering.

In partnership with
WE ARE MACMILLAN. CANCER SUPPORT

With thanks to grant funding from **Macmillan**, Citizens Advice Milton Keynes is able to employ several advisers who work with nursing and Macmillan staff at both **Milton Keynes** and **Stoke Mandeville** Hospitals. Our advisers are on hand to support cancer patients and their families with any queries they may have about money , benefits and work.

How to get in touch

Phone: Monday to Friday 9:00am - 5:00pm
